

How to Login to Your TeleMedicine Dermatology Appointment

Equipment Needed:

- Computer, ipad/tablet or Smartphone
- Computer must have the **Chrome or Firefox** web browser
- Camera
- Microphone
- Speakers
- TeleHealth capability (see below)

Before you attempt to Login, Access the Settings or Control Panel of Your Device:

- Turn microphone on
- Turn speakers up
- Enable video on your device

Recommendations:

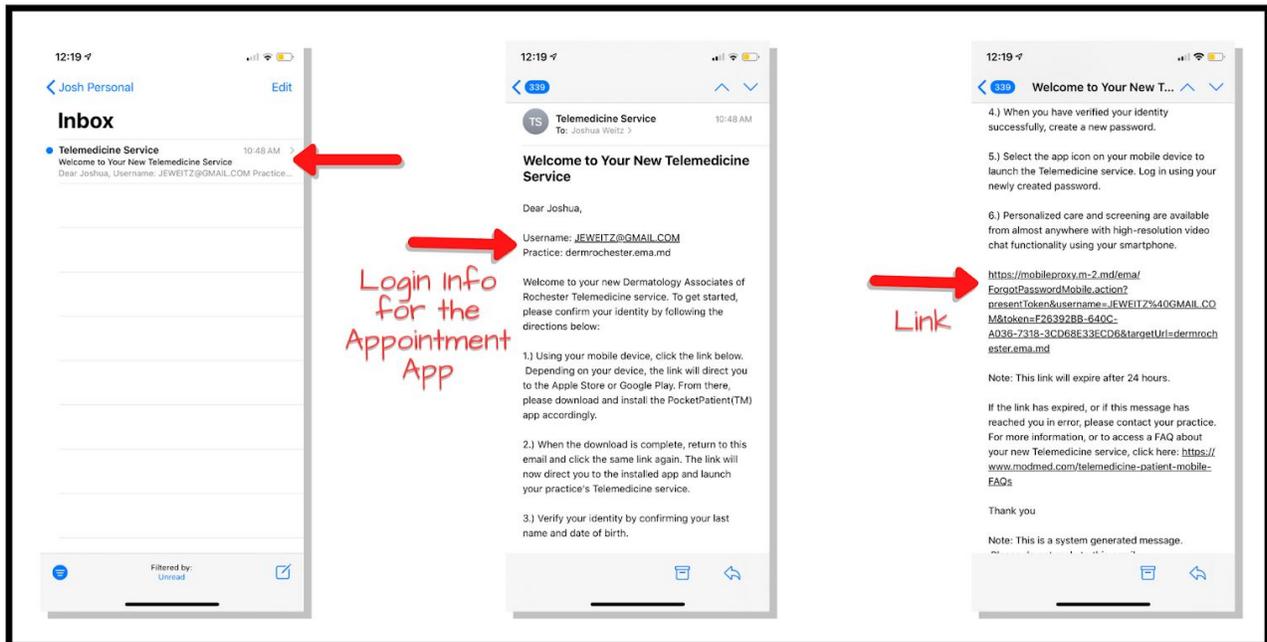

- Find a quiet, private spot to have your appointment
- Reduce background noise, use headphones if available (NOT REQUIRED)
- Have your appointment in a well lit area with the light in front of you
- IF POSSIBLE - Have a flashlight or desk lamp available to shine on your area(s) of concern, should your provider need more light to see
- As soon as you receive your TeleMedicine confirmation email, follow the instructions to download the applications you will need to login to your appointment
- If you plan to use the Patient Portal on your computer to have your appointment, **it must have either the Chrome or Firefox web browser**

The screenshot displays the patient portal interface for Joshua Weitz. The top navigation bar includes 'My Health', 'Appointments', 'Messages', and 'Tests and Results'. The user's profile information is shown, including 'Weitz, Joshua', 'DOB:', 'Birth Sex: Male', 'MRN:', and 'PMS ID:'. The 'Video Visits' section is active, showing a notification: 'Your Video Visit is ready' with a 'Join Video Visit' button. A red arrow points to this button, and a red handwritten note says 'Join Video Visit to Start Your Appointment'. Below the notification, there is a disclaimer: 'By selecting Join Video Visit, you are agreeing to a video stream with your provider and also agree you have not been seen by the provider within 3 days.'
